Trieste Terminal

The main cruise terminal is located at Molo Bersaglieri in the heart of Trieste. Modern facilities include check-in counters, luggage handling, and passenger services. The terminal is walking distance to the city center and offers convenient access to taxis and public transportation.

Coming in Early?

Venice

Venice, a city built on water, is a unique and romantic destination. Its labyrinthine canals, iconic gondolas, and stunning architecture, including St. Mark's Square and the Doge's Palace, create a magical atmosphere.

San Giusto Castle

San Giusto Castle, perched atop a hill overlooking the city of Trieste, is a historic fortress offering panoramic views of the city and the Adriatic Sea. Visitors can explore its ancient walls, admire its impressive architecture, and learn about its rich history.

Lipica Stud Farm

Home to the famous Lipizzan horses, this historic stud farm dates back to 1580. Watch elegant horse performances, tour the training facilities, and learn about these magnificent white horses. The farm's beautiful grounds and rich tradition make it a unique attraction near Trieste.

Predjama Castle

Experience the wonder of Postojna Cave, one of Europe's most spectacular cave systems, with its stunning formations and unique cave-dwelling animals. Nearby, visit the remarkable Predjama Castle, built into a cave mouth in the middle of a cliff face. This Renaissance castle offers a fascinating glimpse into medieval life and engineering ingenuity.
